

# PA SONGBIRDS TEACHER WORKSHOP

**THURSDAY, DECEMBER 10, 2009**

**at Carbon County Environmental  
Education Center (CCEEC) 9 am—4 pm**

**Fee: \$40.00 includes curriculum,  
lunch, snacks & more!**

**\*6.5 Act 48 hours available\***

**PA Songbirds** is an all-encompassing curriculum that utilizes birds as a spark to teach math, science, reading & more. The curriculum is fully integrated into the PDE Standards and is for **Grades K - 12**. Hands-on, minds-on education has been proven to raise test scores!

Subjects include bird biology, ecology, habitat, identifying songbirds, migration, research techniques, & more! You'll get to see real birds up close & learn natural history. You will receive the curriculum (\$15 value) and lots of resource materials.

**This workshop is open to both formal and non-formal educators.**

**Facilitators: Carissa Reilly-Longo & Jeannie Carl**
